For more details about State Trustees' charges, see [Commissions, Fees and Charges](#) after this Financial Services Guide.

About State Trustees

We are a government-backed company providing financial and legal services to Victorians from all walks of life. We help you look after your financial and legal affairs in times of need and when you pass away.

This Financial Services Guide (FSG) provides important information about our Attorneyship Services (Enduring Power of Attorney administration) that you should read and understand before we provide this financial service.

The matters covered by the FSG include:

- who we are;
- how we can be contacted;
- what financial services we are authorised to provide;
- how we (and any other relevant parties) are remunerated; and
- details of our internal and external dispute resolution procedures and how you can access them.

This FSG is designed to help you decide whether to use State Trustees' Attorneyship Services.

Where you appoint State Trustees as your attorney under an enduring power of attorney for financial matters and State Trustees subsequently acts for you under that power of attorney (for example, if you instruct us to act for you, or due to illness you become incapable of looking after your own affairs), the services we provide to you may include financial services. For example, if State Trustees, acting as your attorney, holds, acquires or disposes of investments on your behalf, this may involve the provision of financial services, such as dealing in a financial product or providing a custodial or depository service.

The Australian Financial Services License held by State Trustees authorises us to provide a number of financial services. These are set out in the answers to the questions below. However, many of the services State Trustees provides in its capacity as attorney are not financial services.

This FSG relates solely to the financial services provided under your enduring power of attorney for financial matters.

The distribution of this FSG has been authorised by State Trustees.
